Literacy

You will be writing from the boy's point of view. Think about what he will see, feel, hear, touch and taste as he enters the cave.

**See**

Painting on the walls

**Feel**

Nervous

**Hear**

Echoes

**Touch**

The spear

**Taste**

Damp

Can you use your ideas from above to create some sentences about this moment in the book?

Example:

As the echoes of my gradual footsteps trembled through the space, my eyes adjusted to the murkiness and I spotted interesting shapes and colours upon the rough walls.
