Literacy

Task 1: Choose three pictures below and add speech bubbles for the boy and the girl and what they might say.

And I don't think I looked like any of the boys she knew.

Task 2: Use the speech bubbles to write a dialogue between the boy and Om. Remember your speech rules!!

Example:

“You don’t look like someone from around here. Where are you from?” questioned the girl as she pushed her face towards the boy.

"er...ermm," stuttered the boy, but he was quickly interrupted.

“Woah! What are these on your feet? What are they made out of? This is so strange.” said the girl excitedly.

“Well, they are trainers. What do you have on your feet?” asked the boy in a state of shock.

“Mine are made out of animal skins. And why do you wear these on your face? I can’t see a thing out of them!” the girl said, holding her head and feeling puzzled.

"Don't be silly. They help me see!" laughed the boy.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There is no handwriting or other markings on the paper.
