Literacy – Planning

Today, you are going to be planning your writing. You will write 3 paragraphs altogether and I have split each section up so it's clear when you need to start your new paragraph. For each picture, you need to write sentences about what is happening and remember you are writing from the boy's point of view. **You are not writing the story yet! These are ideas for the parts of the story.**

Think carefully about the skills we have been learning about: adverbs, speech, expanded noun phrases!

Paragraph 1 – This is the entrance to the cave. You need to use your task from Monday to help you here.

Paragraph 2 – When they are in the cave, and the bear appears. You will need Tuesday's task to help you here. You need to leave it on a cliff-hanger of you (the boy) falling.

Suddenly, I saw something move in the darkness.</p></div>	<div data-bbox="907 343 1355 684"><p>It was a bear, a big furious cave bear! I shouted at Om to run and turned to face the bear with my spear. I felt very small. Suddenly the ground gave way ...</p></div>	<div data-bbox="1588 343 2038 684"><p>and I found myself falling down down down.</p></div>

Paragraph 3 – Here you are going to create your own ending to the story. Do you end up at home after it being a dream? Do you fall into another era such as the Romans? You will need to draw three pictures and add sentences – remember description!
