## Literacy

This is to be completed during and after the live session.

Task 1:

In one colour, create a mind map around the picture with a list of nouns you can see.

In another colour, add adjectives around each noun.

Task 2: Now let's use what we learnt yesterday to create some expanded noun phrases based on this new picture.

<b>Determiner</b>	<b>Adjectives</b>	<b>Noun</b>

<b>Determiner</b>	<b>Adjectives</b>	<b>Noun</b>	<b>Prepositional Phrase</b>

Task 3: Use the expanded noun phrases above to help you create some full sentences. You can write from the boy's point of view, using 'I' or 'me'.
