

#### **4.1.21 Year 2 Suggested Learning**

This week we have started off with some key learning and topic and some continuous provision some continuous work for the children, reading, handwriting and some exercise ideas for breaks. Remember this is only a suggested time-table, do as much as you can and when you can. Next week I will supplement this with more resources and mindfulness/well-being activities. If there is anything else you need please do ask. I will be sending out a separate letter for the learning experience.

#### **This week's learning:**

**Spelling:** soft and hard c and g and recap of some Year 2 Common Exception Words.

**Maths:** Adding and subtracting 2 digit numbers

**Literacy:** Starting our new story

**Topic learning:** Starting our learning on Dinosaurs

Please do share all work the children do on Classdojo in their portfolios and Mrs Warrington, Mrs Dungworth or I will look forward to looking at it and commenting on the hard work the children do. Anything you can do with the children is great. We are here to support you with your home learning, every step of the way. Please let me know what is helpful and what is not so I can adapt as we go.

I look forward to seeing all the children in our daily live on-line lessons.

Finally, I want to thank you all for your continued support, even though we may not know what may be ahead of us. I want to wish you all a good week. Do take care, keep safe, take a deep breath and carry on.

Best wishes,

Mrs Baldwin.
